### Engine Driven Rotary Screw Compressor/Generator Combination Units

**Features:**
- Heavy duty industrial grade gas or diesel engine
- Industrial rotary screw airend
- Industrial grade generator
- Heavy duty mounting base

**Options:**
- Filter/regulator
- Air hose quick disconnects
- Engine control extensions
- Stainless flex lines for air

#### 5-10HP RS SERIES SCREW COMPRESSORS

**Note:** Units above 14hp require and auxiliary fuel cell. All units are standard tank mount, basemount available.

### Rotary Screw Compressor-Welder-Generators

**Features:**
- Industrial grade gas or diesel engine
- Industrial grade welder/generator
- Heavy duty industrial rotary screw airend
- Battery mounted and wired
- Electric start engine
- Vibration pads
- Stainless steel flex lines
- Freight pre-paid in lower 48 states and southern Canada

**Options:**
- Heavy duty marine grade battery
- Filter regulator
- Front mount battery
- Engine control extension

**Note:** Units above 14hp require and auxiliary fuel cell. All units are standard tank mount, basemount available.

Enclosed Rotary Screw Compressor Combination Packages

- Industrial grade reciprocating compressor
- Industrial grade drive engine
- Quick service compressor filters
- Electric start drive engine
- Vibration mounting pads
- Load/unload operation
- Compressor head cooling unloader
- Disc & spring valve
- Compressor Intake filter silencer
- Easy to remove compressor cover
- ASME/CRN certified safety valves

**Accessories Available**
- Cold weather heating package
- Heavy duty marine grade battery
- High ambient temperature cooling package
- Compressor cover color change
- 6 or 12 ga llon EPA, DOT rated fuel cells
- 6 or 30 gallon air storage tank
- Drive engine control extension
- Compressed air regulator control pack

Enclosed Engine Driven Rotary Screw Compressor Combination Packages 5n1

**Features:**
- Industrial grade rotary screw compressor
- Industrial grade drive engine
- Quick service compressor filters
- Electric start drive engine
- Vibration mounting pads
- Load/unload operation
- Compressor head cooling unloader
- Disc & spring valve
- Compressor Intake filter silencer
- Easy to remove compressor cover
- ASME/CRN certified safety valves
- Reverse polarity protection
- Battery mounted and wired

**Accessories Available**
- Cold weather heating package
- Heavy duty marine grade battery
- High ambient temperature cooling package
- Compressor cover color change
- 6 or 12 ga llon EPA, DOT rated fuel cells
- 6 or 30 gallon air storage tank
